CONGRESSIONAL & INTERGOVERNMENTAL

House & Senate: The House and Senate stand in recess this week and will return to session next week on Monday, June 4, 2018.

Sen. Dianne Feinstein (D-CA): Brent Maier coordinated and participated in a call today with Aily Zhang, Staff Assistant in the Office of Senator Dianne Feinstein to discuss a constituent issue involving their interest in receiving copies of an inspection report from our Enforcement Office for lead-paint inspections completed in 2015. The purpose of the call was to provide Aily Zhang with a general description of our compliance and enforcement process. Joel also let Aily know that our inspection did not reveal any actionable enforcement issues and that we will be sharing a copy of the inspection report with their office. We are finalizing a response letter to be signed by Enforcement Division Director Kathleen Johnson regarding this constituent issue. Enforcement Division’s Joel Jones, Doug McDaniel, and Max Weintraub participated in the call.

Rep. Salud Carbajal (D-CA-24): At the request of Water Division’s David Albright, Brent Maier provided Greg Hass, District Representative in the Congressman’s San Luis Obispo District Office with an update regarding the Arroyo Grande aquifer exemption. During our last call, Greg had requested that we notify him when we receive the formal re-submittal from the state. On Tuesday, May 29th, our office received the formal re-submittal of the Arroyo Grande aquifer exemption request from CA DOGGR, with CA State Water Board concurrence. We are now beginning our review of the package and we will likely make a decision in the next 60-90 days. Brent let Greg know that we will keep him updated as this process continues.
